

Nighttime Scratch Art

Use the stylus to scratch into the scratch art paper. Be careful as you work and ask an adult for help.

The Albany Pine Bush at Night

Create a nighttime Pine Bush scene. What do you think the sand dunes and pitch pine trees look like at nighttime? What animals do you think are out at night?

Here are some ideas of things to include in your nighttime picture:

constellations

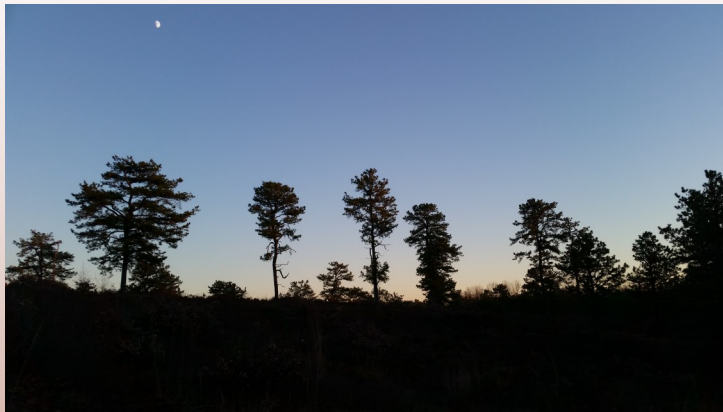

(use the star map in your kit as a guide)

bats

moon

planets

coyotes

moths

pitch pine trees

owls

sand dunes

fireflies
